Late notice emergency cancellations will be handled on an individual basis. Please notify Kelsey Vandercoy of any change in scheduling at 563.326.7804 ext. 7802.

Art activities can be tailored to suit any age group

" P " is for Paint! (Painting)

Whether inspired by images in the gallery or their own imagination, kids will have fun painting a variety of subjects, from animals and landscapes to their favorite hobby or sport. Kids will experiment with different paint mediums, brushes, and papers while learning about colors, texture, lines, shapes, and famous artists.

Shape it up! (Clay)

Ooey, gooey, and oh so slimy, it's clay! Kids will shape, form, and texturize their clay pieces. They'll learn how to take a simple lump of clay and transform it into cool 3D sculptures, such as a 3D self-portrait, favorite animal, etc. Kids will also learn about techniques and tools for modeling clay.

Who are you? (Masks)

Kids will create fun, wearable masks from a wide array of media and materials highlighting form, texture, shape, and color.

*Incredible Ink (Printmaking)

Using inks, paper and various tools, kids will engineer customized prints. They will get the opportunity to use printmaking tools to roll out ink, sketch in their personal designs, and print the final product on paper. With this art project kids will learn to work with printing inks and plates while experiencing an art form of unlimited possibilities!

***For print making, an old paint shirt is suggested to prevent staining clothes**

Please send completed form along with a brief message to Brian Allen (ballen@figgeartmuseum.org) or call with questions at 563.345.6654. Thank you.
