

Figge community members of all ages are invited to participate in our “Getting Figge With It” challenge to re-create artworks from our permanent collection using everyday items, people, or pets in your home!

Select your favorite work from our list of art then re-create it at home using ordinary objects! Email your re-creation and your inspiration, along with your name, email address, and address to [submissions@figgeartmuseum.org](mailto:submissions@figgeartmuseum.org) by April 24, 2020.

Once the re-creations are published on the Figge Art Museum Facebook page, the re-creation with the most likes by May 1, 2020 will win a prize! Please limit entries to two re-creations per participant.

Re-creation by: Figge Staff
