

Graduate in Textiles and Clothing from Iowa State University. Extension Home Economist with the Iowa State University Extension Service in Mahaska County. Taught Adult Education students from age 10-75, the basics of clothing construction and alternations.

The last 20 plus years, teaching quilting classes and making presentations in our area. At the same time, taking classes to increase my skills in working with students.

My goal is to assist anyone who is interested in learning how to quilt. My joy is providing the knowledge and tools to help in their journey of becoming excited and more skilled about quilting.
